Mothers' March Friday

The annual Mothers' March for the March of Dimes will be held Friday, Jan. 26, 7:30 p.m. Workers for the march are being contacted by co-chairmen, Mrs. Leonard Rowland and Mrs. M.H. Ruddle Jr.

The Nicholas County Chapter of the National Foundation of March of Dimes and our chapter president, Mrs. Paul Stone, have been recognized and praised for work done over the years. Mrs. Stone would again like to see Nicholas county make an all-out effort for the 1973 year.

Workers for the march may meet after their solicitation, at the Methodist Church Annex where refreshments will be served.

A portion of the money that is received is kept in our own county treasury. This money is used to help victims in this county.

The chapter is new and has been since early 1972, helping Tony Barton, ten-year-old son of Mr. and Mrs. Craig Barton of the Pleasant Springs Road, Nicholas county.

Tony is suffering from a bladder and kidney birth defect. He has undergone two major operations. He will have to have surgical supplies monthly for the rest of his life. The cost of these supplies is between \$25-30 monthly. Tony's operations cost \$115.00 (at a reduced rate). The March of Dimes has helped some on the hospital bill and will later be paying on the doctor's charges.

Your contribution will help Tony and help defeat victims of tomorrow. It may be your child, your grandchild or your neighbor. When it strikes make sure there are funds to help.

Mrs. Barton said, "I don't even know whether my neighbors know about Tony and that the March of Dimes is helping. We appreciate it so much and urge all to give to this worthy cause."
