By CLIFF HAGAN
Assistant Athletic Director
University of Kentucky

EDITOR'S NOTE: This is the first in a series of articles on the progress of the Commonwealth Stadium to be prepared by Cliff Hagan exclusively for readers of Kentucky's weekly newspapers.

Commonwealth Stadium, the University of Kentucky's new \$80-million football facility, has become a reality almost overnight. What was a great pasture this time a year ago is fast becoming the site of the stadium. The stadium is being sited on the site of the old Kentucky State Penitentiary.
