Food classes

Comprehensive II foods classes planned, prepared and served a meal at the final evaluation of their foods unit. Pictured preparing the meal are Regina Mattox and Esther Gauce.

Harrodsburg, 200 years of hospitality

When Kentucky was a couple of hundred years younger, Harrodsburg was not nearly so hospitable as they are now. Plenty of times, stockaded Fort Harrodsburg proved to be a welcome refuge for the pioneers from howling Indians who, more than once, chased James Harrod, Daniel Boone and their companions into the safety of the fort.

INSIDE TV

CONFIDENTIAL REPORT — If he can find the proper tax loopholes, it's rumored that FRANK SINATRA will accept some of those massive financial offers and emerge from retirement this fall. Ready, did you expect him to stay out of the show business limelight forever? Although he's been sharing headlines with SARAH MILES, BURT REYNOLDS is still spending as much time as possible with SONAM SHORE.

HOLLYWOOD TV TICKET

Television-commercial producer JACK SPAR has filed a \$100,000 suit in the California Superior Court against TOM "Bully Jack" LAUGHLIN charging assault and battery. According to Spar, the star, director and producer of a phenomenally successful movie, slugged him in the face with a bottle of beer.

PROTECT AGAINST INSECT AND SNAKEBITES! Q.—You mentioned bees in a recent column. What do you suggest do I keep from getting bites from bees? And what about snakes?

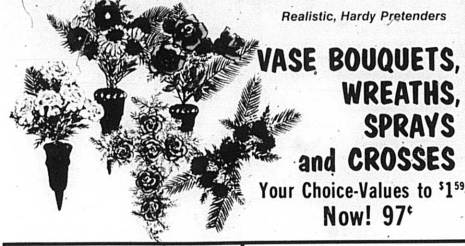

Election Notice

I have been asked many, many times lately, who, if anyone I'd endorse to be our next Senator in the May 29 Primary.

177 students presently enrolled in Home Ec at High School

Vocational Home Economics program in Kentucky have been expanded for the 70's. The many changes in society including changing patterns of family life and modern technology have necessitated special interests and occupational training for secondary, post-secondary, and adult students.

Home Economics teachers are also giving emphasis to career education. In the various classes students are made aware of career opportunities in the field of home economics.

Elect Allen Clay Stone County Judge

Nicholas County is a good county and the people deserve government they can trust. I will work to give the people a County Judge's office that can be trusted. There is no substitute for being fair with people and giving an honest answer to our problems which involve our county. The people have the right to know. Your taxes pay for this right.
