

The last school day

As the last day of school approaches, many young minds will wander from school work to thoughts of surf boards, camping trips, summer jobs and the like.

Freedom of the Press Day

The first freedom of a free man is freedom of the mind, but that freedom is of little value without access to information and the opinions of others.

Our accomplishments?

What have we accomplished locally during the past year? That's the question now being asked by the local All-Kentucky City committee.
