Electric drying saves you time...

time it right and you'll save electricity!

You simply can't help saving many, many hours of time and work with an automatic electric clothes dryer on the job—whatever you want, whatever the weather. If you want to help your clothes dry, you'll save time, too—because electric heat is clean and gentle, keeps clothes sunshine fresh and wearable longer. And the permanent press cycle saves ironing!

Electricity ... for a cleaner home, a cleaner world
