

October Kindergarten activities varied

The Carlsle Kindergarten which is sponsored by the Junior Women's Club started its 17th year on Oct. 1 with 29 children enrolled. It was a busy, happy month in

Kindergarten with emphasis on Columbus, the fall season and Halloween. The children eagerly brought to school the many signs of fall that they had found, to be hung on the fall branch of the tree for later planning.

Halloween day found small witches, goblins, and a variety of characters seated in the classrooms for a Halloween party.

The Honor Roll for the first nine weeks has been released by the Nicholas County High School.

A minimum standing of 3.2 must be attained in order to be placed on the Honor Roll.
