

4-H gets it all together

Several years ago, the phrase, "generation gap" was bounced around by adults and young people alike. Youth were accused of not wanting to communicate with their elders, while their elders were accused of not wanting to talk to their youngsters.

walking behind a bed with their furniture and clothes piled on it and some were riding in the bed with their clothes and furniture. Every once in a while you could hear something "crash" and that was the furniture being broken. Jim Houser came in linking his chops. Said his daughter, Della Mae Gray, had taken him, and Mr. and Mrs. Estill, Houser out to "Dairy Queen" to eat. It was his birthday. He talked like he was being served everything that could be brought at a Dairy Queen, except none of them had to count calories. It was about eight, I'm not quite sure but think Ben Duncan was along too.
