SUCCESS IN MARRIAGE

DEAR PROFESSOR WILLIAMS: I am 18 and have been dating this guy for six months. We have had sex relations regularly and I've just found that I'm pregnant. Some of my friends told us we should get married. However, my boyfriend and I don't think we're ready for that.

DEAR PROFESSOR WILLIAMS

DEAR PROFESSOR WILLIAMS: I read in a leading magazine recently about a number of marriages that are ending in divorce. I'm engaged to be married and I'm wondering if I should get married now.
