

get the job done

♊ Virgo	Aug. 23 - Sept. 22	Mercury ♀
Much depends this week on your skill in handling money matters. If you're not sure, take very careful stock of your assets. Figure out where you're headed and keep well within the limit of your resources. You won't get out on repairs. Buy replacements. Your keenest judgment will be needed.		
♊ Libra	Sept. 23 - Oct. 22	Venus ♀
Try to avoid continuing a losing battle with people who are more strongly opinionated than you. Try to be subtle and protect existing interests. Put finishing touches on a project or assignment. Money accounts will be important. Be firm, but understanding. Gemini and Leo will be involved.		
♏ Scorpio	Oct. 23 - Nov. 21	Mars ♀
A lively week during which you will keep on the move. Be mentally alert. If you're invited, you're bound forward to several pleasing invitations, which you		

♏ Sagittarius Nov. 22 - Dec. 21 Jupiter II
You've got to be very much "on the ball" this week, because competition will stiffen. Don't waste money because you're sure that you'll find the right equipment and prepared. Accents on marriage and special relationships. Someone is holding clandestine meetings that involve you.

♏ Capricorn Dec. 22 - Jan. 19 Saturn V
There's particular need for care in your handling of issues with a legal aspect to them. Explore the

possibilities of negotiation before you resort to litigation. It's important to depend on your own attorney. It's no time to go it alone. Seek help. Play a waiting game. Let others make the first move.

♈ Aquarius Jan. 20-Feb. 18 Uranus ♄
There's a general tendency to "bog down" and get caught in a red tape and tedious work. The management may not be the best. You may not be doing the things you want in the way you want. A woman associate may bring her troubles to you. Be flexible in dealing with her.

♊ Pisces Feb. 19-Mar. 20 Neptune ♃
Excellent period for group activities or doing things in partnerships. You will be thrown together with someone who's prominent and important in his/her

Increasing, interesting people come into your picture.
Avoid those who put pressure on you.

and its historic work-study program which helps to keep cost at a minimum.

Mrs. Wilder noted also that the horse back riding program and the new off-campus work plan seemed to have a positive effect on '73 enrollment figures. Current plans now are for a much simplified admission procedure for 1974 with a deletion of much of the student - paper work required in the past.
