

Return of the windmill

Suddenly people are taking windmills seriously by a way to relieve pressure on fuels such as oil and coal. The federal government will pour over \$1 million into windmill construction...

Riding the rails

Among methods of surface transportation, cars are probably the least efficient. And yet, at least until recently, cars carried an estimated 87 percent of interstate traffic...

In a published interview, an Amtrak official said that the number of railroad passengers increased by 10 percent during the first two years of the program...

As of Oct. 15, 1973, the increase was about 24 percent over the year 1972. The official, F. Chicker Star, in an interview for Scripps League Newspapers...

Agree or Not

It looks like Spring is finally going to win for the battle against the killing frosts that have wreaked havoc on the state's fruit crop.

With the continental running of the Derby this afternoon, there are plans for more celebrations than usual. Even a bit of English royalty thrown in to add a touch of dignity to the annual imbroglio at Churchill Downs.

THE SHADREE EXERCISE - or how to drive out the demons from under your auto's hood

If the level is below the "add" mark, you may find a quart of oil and try to pour it in. You may find your car doesn't need as much oil as it used to. This is a sure sign of a bad engine.

GRAFFITI THE MAN WHO HAS

It is a shame that there is not more graffiti in Carlsle, especially for the entertainment, except maybe at restaurants. There are many beautiful buildings...
