Ockerman holds new position

Paul H. Ockerman, manager of operations at the Westinghouse Oceanic Division in Annapolis, has been named manufacturing director of the corporation's Defense and Public Systems and Government operations at Pittsburgh.

Ockerman will help divisions i-Defense and Public Systems fill their manufacturing managerial manpower needs. He will also act as liaison between the divisions and headquarters in developing new manufacturing processes and equipment.

Ockerman, of Annsold, Md., joined Westinghouse in 1955 at the Bettis Power Laboratory, Pittsburgh. In 1963, he was named director of reliability control, headquarters manufacturing, and became manager of manufacturing at the Merrimack Compressor Division in Columbus in 1966. He was appointed operations manager at the Oceanic Division in 1968.

A graduate of Morehead State University, Ockerman is a member of the Instrument Society of America, the American Society for Quality Control, and the Institute of Electrical and Electronic Engineers. He is past president of the Board of Directors of the Anne Arundel County Economic

Opportunity Committee, Inc.
He is married to the former Georgiana Young, daughter of Mrs. Nathan Young Sr., of Carleisle, and they are the parents of three daughters.
Mr. Ockerman is a native of Nicholas county and the son of Mr. and Mrs. J.T. Ockerman of Fleming county, formerly of Nicholas county.
