Nicholas edges Tollesboro, 11-9

Nicholas County's baseball team raised their season's mark to three wins and one loss last Wednesday, with a victory over Tollesboro.

Early Trouble The Jackets ran into trouble early in the game when Doug Darber walked on the first run of the ball game. Then Tollesboro's Ginn socked a base hit to drive in two more runs and Nicholas trailed early, 3-0, with men on first and third and one out. Doug Darber then came through with two consecutive strikeouts and brought the Jackets in for a turn at bat. Not much was going to happen this time though, because a line drive by Billy Darrell caught Tony Ritchie off base and Tollesboro turned a double play. Tollesboro led off the second inning with two doubles in a row and moved across for the score on a base hit by Don Darrell. Linville started the ball rolling with a base hit in the bottom of the second and the Jackets were off to a hot inning. A Doug Fryman double

moved Linville to third and when Ricky Hicks walked, the bases were loaded. Ricky Broderick smacked a grounder to let Linville score, and a David Darrell hit advanced Fryman across the plate. Tony Ritchie drew a walk and caused another Jacket run to score. Billy Darrell lapped a base hit for another Jacket R.B.I. Darrell Linville came up to bat for the second time in the inning and looped one over the third baseman's head to drive in Doug Darber.

Season's First Home Run Doug Darber walked in two runs in the third inning, which forced coach Bill Drive by Billy Darrell caught Tony Ritchie off base and Tollesboro turned a double play. Tollesboro led off the second inning with two doubles in a row and moved across for the score on a base hit by Don Darrell. Linville started the ball rolling with a base hit in the bottom of the second and the Jackets were off to a hot inning. A Doug Fryman double

4H'ers at Washington conference

Three 4-H'ers and one leader from Nicholas county are part of the 26-member Kentucky delegation attending the annual Kentucky 4-H Older Youth Conference in Washington, D.C. this week. The county's delegates and leader are Cheryl Lewis, Janice Crouch, Mona Garrett and Mrs. Bobby Curtisinger. A part of each delegate's expenses was covered by the 4-H Council and the "Gone With The Ten Club". During the conference, the 4-H'ers receive advanced training in leadership and citizenship. Representing every area of the state, those attending are

freshmen or sophomores in high school and, when they return home, the delegates will share what they learned with other 4-H'ers and with their high school classes. This is the tenth anniversary of this conference planned especially for Kentucky youth. The delegation left Kentucky Saturday (April 13) by chartered bus for the National 4-H Center. They began their week in Washington by attending Easter services at the Washington Cathedral, Shrine of the Immaculate Conception, by other well-known churches in the area. In the afternoon, they attended a performance of the

Circus Internationale at the new Capitol Center. The conference opened officially Sunday night with an assembly previewing plans for the week. Highlighting the conference are speeches, discussion and tours related to the heritage of a U.S. citizen. Each delegate is also serving on a conference committee; committee meetings and get-acquainted recreation classes are part of the program. Monday's program opened with another assembly, where the group heard how youth can participate in the nation's bicentennial celebration. In the afternoon, they visited Arlington National Cemetery and took part in a special wreath ceremony at the Tomb of the Unknowns. Representatives of the delegation placed a wreath there on behalf of Kentucky 4-H'ers. While at Arlington, they also saw President Kennedy's grave and the Curtis-Leo Mansion. From there, they went to Theodore Roosevelt Island, a nearby nature preserve.

Back at the 4-H Center Monday night, the 4-H'ers heard John Varnough, administrative assistant to Kentucky Senator Marlow Cook, discuss the legislative process. Tuesday was spent on Capitol Hill, where the 4-H'ers had a chance to visit their Congressman's offices and see the Capitol, the Supreme Court, and the Library of Congress. As a special treat, the group were

Teachers against the Nicholas County Board of Education. Judge Hermannsderfer ruled there was no violation of constitutional rights in the Nicholas County School Board's decision not to rehire the teachers, none of whom had tenure.

The four, Kathy Hanson, Charles T. Metcalfe, David H. Fernald and Angela A. Nolasco filed suit on June 27, 1973 charging that their teaching contracts were not renewed as punishment for their activities as officers and members of the Nicholas County Education Association (NCEA).

The plaintiffs also asserted that they were being punished for "their support of a civil lawsuit brought by Mrs. Hanson against the board in which she was awarded a monetary judgment in Nicholas Circuit Court."

The teachers were represented at the trial last September by Arthur Brooks of Lexington. The defendants, D.P. Parsley, individually and as superintendent of the board, and the five board members, were represented by Ives Fowler of Frankfort and Billy G. Hopkins of Carlisle.
