

Jackets top Deming, '68-63

by Jimmy Smith
The Nicholas County Bluejackets defeated the Deming Devils last Tuesday night, Nov. 28, in the Jacket's first home game of the season. The Jackets managed to overcome some early foul trouble to stage this comeback victory by applying a tight press all throughout the second half of play. This back-court pressure resulted in 11 steals by the Bluejackets and prevented Deming from setting up any kind of an inside game.

Nicholas County jumped out to an early 13-6 lead, but the game began to equalize when Deming began to go inside to their center, Mark Chandler, and let him muscle his way to the basket.

About the only good thing that happened for the Jackets in the second quarter was when Wallace Edwards tipped the ball to Doug Darfuro for a basket at the tipoff. The Jackets began making fundamental errors and superficial fouls. Before the half expired, nearly all of the Jacket starters were on the bench with foul trouble. Deming capitalized on the inexperience of some of the young Jacket substitutes, and jumped out to a 20-12 lead. The Devils maintained this nine point margin until the end of the half.

When Nicholas County started the second half they started it with a bang. The press worked to its fullest potential, and the Jackets reeled off seven straight points. Then another burst of six consecutive points pulled the game to a 43-41 tie. Doug Darfuro provided the go-ahead basket and from that point on, the Jackets never looked back.

The Jackets settled down during the fourth quarter and began working the Deming 1-81 zone for the good shot. With 1:18 to go Gerald Thompson executed what Nicholas County Coach Bill Anderson called, "one of the finest plays of the ballgame." Thompson drove the lane for a basket and then retrieved a Deming rebound, drove the length of the floor and made a spectacular pass to Steve Cartinger for the game winning basket.

Thompson led the Jackets in scoring with 15 points. He was followed by Ricky Hicks, 14; Steve Cartinger, 10; Doug Darfuro, 10; Raymond Congdon, 9; Wallace Edwards, 6; Greg Letcher, 3; Tony Hutchler, 2.

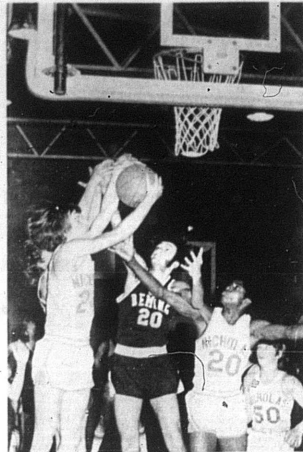

Gerald Thompson and Steve Cartinger tied for rebounding honors with eight each.

Mark Chandler headed up Deming's scoring column with 21 points. Next were: Pat W. Eyles, 9; Fletcher, 5; Mitchell, 4; Northcut, 3; Swartz, 2. The Jacket 'B' team won their second straight game when they beat the Deming 'B' team prior to the varsity contest.

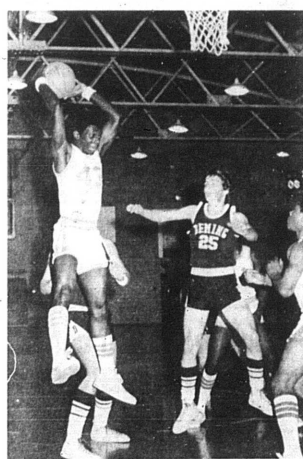

Robinson to run for Attorney General
PADUCAH—Jim D. Robinson of Keokuk recently announced his candidacy for the attorney general's position in the May primary.

Robinson, 52, a Democrat, has given seven years in state government, serving as assistant attorney general for transportation and general counsel for the department.

He was recognized by the Supreme Court of the United States for organizing a computer tracking system which provides instant information about the status of cases and has been asked by the joint Committee on Continuing Legal Education of the American Law Institute and the American Bar Association to serve on its faculty for 1974-75.

Don't be a loser!

"Airtightness" is an important part of saving energy and money. When your fireplace is not being used, the damper should be tightly closed to prevent the chimney from drawing heated or cooled air from the house.

Good fitting storm windows and doors save energy, too. Anything you can do to cut down escaping air that pays for its heat or cool makes sense and saves dollars. It's worth the effort. Today, it's the lazy homeowner who wastes energy.

Electricity is too good to waste!
