Local public defender budget is proposed

FRANKFORT—Under Gov. Wendell H. Ford's 1974-76 biennial budget proposals, the Office of Public Defender in Judicial District 18—Harrison, Nicholas, Pendleton and Robertson counties—may receive as much as $14,000 in state support money.

The figure proposed by Ford was based on a funding formula which he has recommended to the General Assembly for approval.

Under that formula, those districts with a population below 35,000 would continue to be funded at the same rate approved earlier by the 1972 General Assembly—$14,000 per circuit court judge assigned. Thus, the counties in District 18 with a population of about 32,778 (based on the 1970 U.S. Census) could expect to receive $14,000.

Other more populous districts could expect to receive 40 cents per resident, or $14,000 per circuit court judge assigned—whichever figure is higher.

The Office of Public Defender was initiated in late 1972 and organized locally according to preferences of the fiscal courts. Most of the 33 judicial districts contract with non-profit corporations—such as legal aid societies—for attorneys to serve on an on-call or a full-time basis.

A number of other districts appoint attorneys on a case by case basis. Six districts, like District 18, have public defenders appointed by Anthony M. Wilhoit who oversees the statewide program and works with a staff of attorneys in his Frankfort office.

Campbell to head Southern States

James L. Campbell of Harrodsburg, Ky.—vice-president of Southern States Cooperative for the past three years—has been named president of the association at a meeting of the Board of Directors. He succeeds Dr. B.F.D. Runk of Troy, Va., who had served as president for the past three years.

At the same time, the Board named James W. Latane of Oak Grove, Va., vice-president of the cooperative.

Campbell, a dairyman, has served on the cooperative's Board of Directors for the past 12 years and has been a member of the organization since 1945. He represents a district made up of 45 counties in central Kentucky. He is a member and former director of the Mercer County Farm Bureau, a past chairman of the Burgin School Board, of which he was a member for 12 years, and a member of the Lion's Club, of which he is a past vice-president. He is a director and former chairman of the Mercer County Farm Home Administration and is a past director of the Mercer County Soil and Water Conservation District. He is a past vice-chairman of the Lakeville Water Association and is a long-time member of the Shawnee Run Baptist Church near Burgin.

Latane has served on the cooperative's board since 1957 and represents a district composed of the southeastern part of Virginia. A livestock producer, he has been a member of the cooperative since 1946.

He is a past president of the Virginia Beef Cattle Association and is currently a director of the Virginia Hereford Association. He has served as president of the Fredericksburg Feeder Calf Sale Association, is chairman of the Westmoreland Selective Service Board, a member of the Virginia Polytechnic Institute and State Extension Service Advisory Council to the College of Agriculture, and a member and past chairman of the Westmoreland Planning Commission.

He is a graduate of VPI&SU and a member of St. Peter's Episcopal Church.

Headquarters Club meets

The Headquarters Homemaker's Club met Feb. 12 at Kentucky Utilities Building, Cynthiana, at 10:30 a.m. with 12 members present and three guests. The meeting was called to order by Mrs. Lois Allison, president. The minutes and financial report were read by Mrs. Carolyn Snapp, secretary-treasurer and accepted.

Mrs. George Dale gave the devotional and read an interesting article, from an old book, about the failures of Abraham Lincoln and how he faced and overcame them. This was most appropriate on the date of his birth.

The lesson on "The Care and Repair of Wood Furniture" was given by Mrs. W.R. Buntin and Mrs. Russell Alexander.

A potluck dinner was enjoyed by the members and their guests. Valentine gifts were exchanged after lunch and a recreational program of games was presented by Mrs. Emmett Darrell.

The club welcomed two new members at this meeting. Membership to the club is welcomed, regardless of nationality, race or creed.

Sen. Cook announces

Senator Marlow W. Cook Saturday announced he would seek a second term as U.S. Senator from Kentucky.

In a Saturday morning news conference in Louisville, the 47-year-old Sen. Cook declared that, "This has not been an easy decision for several reasons. However, that is all behind me now and I intend to take a vigorous campaign to the people of the Commonwealth and conclude with a victory on General Election Day in November.

"I have always campaigned for office in a positive manner, and I intend to continue this. Furthermore, I am hoping this declaration will result in an enlightened campaign in which all candidates for this high office will express themselves openly and fully, taking ample time to exhibit their qualifications and experience."

The 17,000 square feet brick veneer structure that will house the permanent archives and activities of the Kentucky Democratic Party stands near completion on I-64 at the U.S. 60 interchange, just outside Frankfort. Official dedication ceremonies will be held Feb. 22 at 2:30 p.m. CDT.

Democratic Headquarters dedication set Friday

FRANKFORT—Official dedication ceremonies for the new Kentucky Democratic Headquarters will be held at 2:30 p.m. CDT on Friday, Feb. 22.

All Kentucky Democrats are invited to share in this historic event. Speakers will include Gov. Wendell Ford, Party Chairman Sen. Bill Sullivan, and former Chairman J.R. Miller.

Members of the Kentucky Democratic Woman's Club will host a reception following the dedication program. Tours through the new building will be conducted by staff members.

The brick-veneer structure contains a total of 17,000 square feet usable space. The building contains a large lobby and reception area, a small auditorium equipped with platform area and stage lighting, kitchen facilities, and a roof entertainment area.

There are two large rooms which will be designated as an information and research center and storage area for party records and archives.

Meeting rooms and conference areas are located among the dozen or so offices in the building.

Architects and Engineers for the three-story structure are Luckett and Farley, of Louisville. Construction is by Whittenberg Construction Co., Inc.

The headquarters is located just off the I-64, U.S. 60 interchange at the Millville exit.

MAGICWORD by JULIE QUART

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions — horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off list. Circling of a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

NEXT WEEK'S HOROSCOPE

By Clay R. Pollan

Note planetary ruler of your birth symbol

FOR WEEK BEGINNING MONDAY, FEB. 25, 1974

★ If your birthday occurs this week . . . you'll make substantial progress now. Friendly aspects will put you in a better position to cope with domestic and partnership situations. You'll cut out a lot of unnecessary effort and will delegate some of your duties to others. Enjoy all that is in store for you personally.

♈ Aries | Mar. 21 - Apr. 19 | Pluto ♇

Expect very busy hours and some intrusion this week. Make it a good week by turning out perfect work. Do not let anyone change your course. Be firm in decisions and actions. If you entertain in your home, do it in style. Invite associates who can help you in a business way.

♉ Taurus | Apr. 20 - May 20 | Venus ♀

Extra good communications develop now. Money is one of the problems you will get out of the way cleverly. Tackle work that is requested with zest and don't be alarmed if you can't finish it. Choose compatible companions with care. Secret enemies could disturb harmony. Your influence can spread.

♊ Gemini | May 21 - June 20 | Mercury ☿

Rejoice in the fullness of life. Make pleasant arrangements to aid a young person. Do your very best to be nice to companions. Friends are likely to agree or accept proposals you put to them. Good time to start a course of slimming or beauty treatments. You'll be feeling on top and earn to do.

♋ Cancer | June 21 - July 22 | Moon ☾

There is a romantic aura in the atmosphere this week. An unusual interlude may just amount to something, but don't take anything for granted. Suddenly you'll realize new things are being said about you. Do something that's original and daring. Senior friends will give you substantial help.

♌ Leo | July 23 - Aug. 22 | Sun ☉

You can finish what you planned this week. Do not become too anxious or it may take longer and be more difficult. Others will be amazed at your accomplishments and increase their admiration. Avoid hanging onto situations that aren't constructive. Observe and learn. Get promises in writing.

♍ Virgo | Aug. 23 - Sept. 22 | Mercury ☿

Radiations prevail this week that could cause lasting harm. One thing for sure, do not engage in any hazardous pursuits. Make no attempt to buck the tide of events, but just bend with circumstances. Advantages arise from a change of plans. Deal with headstrong people tactfully. Better times are ahead.

♎ Libra | Sept. 23 - Oct. 22 | Venus ♀

Words of love may be the big gift for this week. For the first time, you may have a certain someone sincerely speak of love and show affection. Word yourself attractively. It's not what you say but the way you say it! Your heart's desires may get a lucky break. Romantic prospects will gladden your heart.

♏ Scorpio | Oct. 23 - Nov. 21 | Mars ♂

Use some of your talents that have been hidden recently. Even though they may be a bit rusty, they can help others and will contribute to your progress. Don't worry so much about keeping up with the Joneses. A gift or wanted invitation may arrive via the mail.

♐ Sagittarius | Nov. 22 - Dec. 21 | Jupiter ♃

You may be somewhat thoughtless about money now. This could add to financial troubles. Resolve to be more thrifty and to sacrifice a little to balance the budget. Don't compromise ideals for the sake of money. Your cash-in-hand status can be improved. People are inclined to be in a generous mood.

♑ Capricorn | Dec. 22 - Jan. 19 | Saturn ♄

A trouble-maker in your area may cause concern. Let him be talk and walk. You'll fare better if you turn a deaf ear to the depressing babble. Just go about your way light-heartedly and try to be carefree. The opposite sex is responsive to your overtures. Social life favored. Accept invitations.

♒ Aquarius | Jan. 20 - Feb. 18 | Uranus ♅

It's hard to win during this period. Aspects show a rather temperamental trend for you. Do not offend an older person or get into any arguments. If confused, put your thoughts on paper. Change things around a little. Brighten up your environs. There's a treasure trove hidden somewhere.

♓ Pisces | Feb. 19 - Mar. 20 | Neptune ♆

News is good this week. People approve of your plans and those in high position are impressed by you. It's a timely period to ask favors of important people. Things should go well in the finance department. Your judgment creates harmony and peace. Your thoughts may turn to love-making.
