NEXT WEEK'S HOROSCOPE

By Clay P. Pullan

Notes alternate signs for each week for WEEK BEGINNING MONDAY, JAN. 14, 1974

♈ Aries Mar. 21-Apr. 19 **♉ Taurus** Apr. 20-May 20
You may become somewhat impatient with women and children. They will be emotionally responsive than usual. Don't hesitate to be assertive if you feel that can be of help to someone or to your partner.

♊ Gemini May 21-June 20 **♊ Gemini** May 21-June 20
You need to forget certain matters of the past. Avoid any hidden hostility that may make you feel self-doubt and self-allocation. Be polite but try to free yourself of this during conversation. You may find someone who is above board and your position more clear. Avoid any disputes if you can avoid them. Be successful in your affairs.

♈ Cancer June 21-July 20 **♋ Moon** June 21-July 20
A time for faith and enjoying. The urge to be a spendthrift must be subdued firmly. Avoid those who talk more than they can do. Take on no new enterprises and do not take on any new obligations. Extravagance could bring an ambition. However, don't let it get you into any financial difficulties.

♌ Leo July 21-Aug. 22 **♌ Sun** July 21-Aug. 22
You will be much pleased to find someone who complements you in order. Avoid financial matters. Be sure you are not being deceived. You may find someone who is not what you seem. Money questions will be settled.

Full insulation means full value from your electric heating system

When choosing the electric heating system for your new home, make that other important choice—effective insulation. It assures more efficient heating for maximum comfort with minimum electricity. Full value.

With radiant electric heat, individual thermostats can control each room's temperature for additional efficiency. But it's that proper insulation—the utmost in comfort and economy.

So plan your insulation for electric heat from the start—with a call to KUL from you or your builder for our free consultation and cost estimates. No obligation.
