Vikings nip Jackets 46-42 Friday; Sayre wins by 15 points Tuesday

by Jimmy Smith

Too little, too late was the story for Nicholas County Friday night as they were cut off by the Rowan County Vikings. The Jackets couldn't seem to get off the ground until late in the fourth quarter, but it just wasn't enough, because they lost, 46-42.

The first quarter began the play with both teams countering each others moves. It ended 9-8, with Rowan County on top.

Nicholas County scored the first bucket in the second quarter. But then a scrapping Viking team pulled the score to 19-12 midway through the second quarter. The Jackets could muster only 10 points in that quarter as compared to 18 for Rowan County.

In the third quarter the Jacket defense just couldn't match a red-hot shooting Viking offense and Rowan County jumped out to an 11-point lead. The Jackets then made a couple of fine plays and pulled to within 7 points, 34-27. But then Rowan County capitalized on a few Nicholas County mistakes and were on top 40-29 at the end of the third quarter.

Nicholas County started the fourth quarter with a full court press and it proved as effective as it had in recent games. The press forced turnovers on which the Jackets converted into scores. Nicholas County pulled to within 2 points, 44-42, but with only seconds remaining Rowan's Hedges, iced the game with a foul shot.

Nicholas County who only hit a slim 32 per cent of their shots from the field was led in scoring by Doug Fryman with 15, followed by Darbro, 8; Hicks, 8; Compton, 4; Thompson, 4; Edwards, 2.

Wallace Edwards snatched 11 rebounds to lead the team in that area.

Daryl Thompson headed up Rowan's scoring column with 15 points, followed by Gilley, 12; Hedges, 9; Perry, 6; Skillern, 2; Phillips, 1.

Nicholas County 8, 18, 29, 42.
Rowan County 9, 27, 40, 46.
The Jackets lost to Sayre last Tuesday night 77-62.

Fryman had 29 points for the Jackets in that game. He was followed by Hicks, 12; Thompson, 11; Edwards, 9; Darbro, 8; Compton, 1; Booth, 1.

Kessinger led Sayre with 24. Armstrong was next with 18, followed by Mitchell, 11; Richmond, 8; Milburn, 6; Wilson, 6; McLaney, 4.

Nicholas County 14, 28, 40, 62.
Sayre 14, 35, 53, 77.

IN MEMORY OF LAURA B. OGDEN
WHO PASSED AWAY JAN. 23, 1969,
BY HER STEPSON, MACK DOTSON

To the few remaining friends of Laura B. Ogden. (Interval) So it remains for me, the nearest that she ever had to a son, and for her the nearest I ever had to a Mother, to have a few words printed—a faint tribute to her merits—about Laura B. Ogden.

My first contact with Laura B. Ogden at about age 7 was in the then high school of the Bartenville School. Here is what she had written on the blackboard in her own handwriting: "A wise old owl sat in an oak, the more he saw the less he spoke, the less he spoke the more he heard. Why can't we all be like this wise old bird?"

Laura B. Ogden, the daughter of a hard working and honest farmer, was born in the Bald Hill section in August 1883. Her first education was in a log building nearby. She partly worked and partly paid her way through Berea College. And in those days there being no cars, she rode (for a time) on horseback to and from her work. She taught all over Nicholas and part of Bath Counties.

In later years, during the depression, competition being strong, she was pushed aside, and refused work, in favor of younger teachers. Those trying years brought out the best in Laura B. Ogden. She never gave up. She was a power of strength in many a storm. She was cheerful through it all. She was thrifty and hard working. Here are just a few of her many sayings: "God will provide", "Let not the sun go down upon your wrath", "Thou shalt not take the Lord in vain", and many others far too numerous to mention.

Nothing concerning education escaped her notice. Even in her last days the subject of education still clung to the remains of her mind. Every time a child would enter the room she would ask, "What grade are you in?" "Who is your teacher?" Education was her heart and soul, and she devoted her life to it. Even her after she gave up her own few of her pupils who came to her. Sadly enough some of them, after gaining their fill of knowledge, took their departure, never to return. But the bore them no ill feelings or resentment, only kind words for everyone, but always ready to correct anyone. Sometimes people would come there and ask, "Where is Mack at?" She would reply, "Right behind that 'H'."
