The Indian capture scene in the Bicentennial play, "Simons Keaton."

MAGICWORD by JULIE QUART

HOW TO PLAY: Read the list of words. Look at the puzzle. Try to find the words in all directions—horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then write off the list. Circle it will show a letter has been used but will leave it visible should it be part of another word. Find the big words first. When a list of found words are correct, you'll have the green number of letters left over. They're split on your MAGICWORD.
