SALTWELL
by Mrs. Fred Hollar

A very large crowd attended the graveside funeral services for Mrs. Strader Smith on Thursday afternoon. Mrs. Smith was born and reared in Nicholas county and spent a good part of her life here, having moved to Greenfield, Ohio, where she passed away on May 12. She had many friends and relatives here who regret her passing and extend sympathy to her loved ones.

Miss Janet Hollar spent Thursday night with Deanna Grimes.

Mrs. Diane Hamilton and daughter of Lexington and Mrs. Jerry Galbraith of Carlisle visited Mr. and Mrs. Gary Hollar and children on Friday night. Mrs. Layne Hollar and Mrs. Jim Wilson were in Lexington on Wednesday.

Mrs. E.V. Delaney entered Nicholas County Hospital on Saturday afternoon for treatment and remains a patient there.

Mrs. Bobby Brady and Jafacia McCreve visited Mrs. Howard Livingston, patient at St. Joseph Hospital on Friday night.

Mr. and Mrs. Clyde Snapp of the Headquarters Road entertained with a birthday dinner on Sunday for five members of their family. The following were present: Mr. and Mrs. Larry Land and Paige, Mrs. Sylvia Hardin and son, Mr. and Mrs. Clyde Snapp Jr. and daughter, all of Lexington; Mrs. Albert Snapp, Delma Snapp and Roger Livingston, Mrs. Alma Green and Mr. and Mrs. Clyde Snapp Sr. Mr. and Mrs. Keith Sparks of Indiana spent several days the past week with Mr. and Mrs. Frank Sparks. On Sunday they were all guests of Mr. and Mrs. James Haggard of Winchester.

Mr. and Mrs. Fred Hollar visited with Mrs. Howard Livingston and Mrs. Jesse Alexander at St. Joseph Hospital on Saturday and with Mrs. Arnold Mattox, also of Lexington.

Mr. and Mrs. Gary Hollar and children, Mr. and Mrs. Jerry Galbraith, Mrs. Diane Hamilton and Shellie of Lexington and Mrs. Lena Hann were Saturday supper guests of Mr. and Mrs. Donald Stone and Denise of Carlisle. A very large crowd attended the all

Your most efficient total comfort system... an electric heat pump

This single unit makes use of the heat already in the air around us. In winter, it extracts heat from outside air and pumps it into your home. In summer, it reverses itself and pumps heat from an inside your home outside. All automatically from a single thermostat setting. Heat pumps operate extremely economically, too. So if you're thinking of a new heating system, think of the efficient, low-cost system — an electric heat pump. And don't forget — you or your contractor can get planning help and a free cost estimate from us.

It's wise to use electricity...use it wisely!

Great!

It's Your Big Day
Let's Celebrate!

You've waited...and worked...and now that it's here, you can stand up and cheer. Let us join you...okay? Hip- hooray!

Southern States Memorial Day TIRE Specials

May 20-30 only

Money-Saving Prices

The Mark V Glas Belt is wider than conventional tires with wrap-around tread design plus Polyester cord body and BEETLED construction — two belts of Fiberglass under the tread! Superior performance and much longer mileage than with conventional type tires. Better steering control, greater stability and better traction. The fiberglass belts immediately under the tread, hold the tread firm — stabilize it on the road to reduce the "rubbing-scrubbing" action inherent in conventional design tires. Polyester cord provides strength without "flat-spotting" and insures a soft, smooth, "thump-free" ride.
