Kay's Kitchen - By Kay Fisher. It is with tongue in cheek that I mention economical meals. Any meal now is an expensive one. However there are meals that can be served in a less expensive way by using extenders in basic recipes. I'm referring to the products added to your extenders in basic recipes. I'm referring to the products added to your extenders in basic recipes...

Your family will fall for cheese. Gee, mom, cheeseburgers taste better than plain ones. You know, I'd forgotten how great cheese tastes with apple pie. They call this cheese sandwich? It should be called cheese breeze? A late night pizza boy, does not sound good. Sliced with Cheddar strips, you're so clever. How how did you ever think of this in the holidays? Delicious!
