Whenever a notice is filed, the commission must act upon it within ten months. If the case is not decided after five months, the utility may not file the proposed rate into effect...

Thomas: Roger McClanahan, Mary Donald Potts Shapp, Lexington; Marlin Lasker, Lexington; Frank Sims, Morehead; Garrett Griffin, Carlisle; William Wagoner, Morehead; and Francis William Wagoner, Carlisle.

These utilities are governed by the Kentucky Public Service Commission (PSC). This has been so for nearly 50 years. The PSC is the state agency that regulates rates, authorizes facility construction and financing, fixes service standards and enforces compliance of all public utilities not municipally owned...

During the hearing, representatives of the utility are asked to explain the necessity or cause for an increase. After filing notice of the effective date and a schedule of the proposed increase, whenever a company files notice of an increase, the commission always requires a period of five months to prepare and hear the case.
