4-H birthday calendars on sale

Nicholas county 4-Hers will be knocking on doors around town during these two weeks to tell you about the Community Birthday Calendar. This annual fundraising campaign, sponsored by the Nicholas County 4-H Council, provides funds for the support and development of the County 4-H Program including trophies, trophies, medals and award trips for members and leaders. The deadline date for the sale is Oct. 7.

Everyone in Nicholas county may have their names printed on the date on which their birthday or anniversary occurs. Your friends will know where your birthday is, but not how "young" you are.

The calendar will also list the meeting dates of church, school, organizations and events in the county. This illustrated yearbook calendar, showing the Nicholas County Court, house belongs in every home and business. If one of our 4-Hers overlooks making contact with you and wish your name, birthday, anniversary or meeting date printed on our forthcoming Community Birthday Calendar, call the County Extension Office, phone 289-2312.
