Well-deserved national award to be presented to local officials

Our community—all of us—has recognized that all of the hard work that was done last year during our county's 175th-200th celebration, and for all our other Bicentennial efforts through 1976—the birth of our nation.

LET'S FACE IT—WE NEED TO IMPROVE OUR IMAGE

Agree or Not

The corruption of our children is absolutely revolting to me. It is to me the family ridiculed, marital fidelity ridiculed, and a crass materialism constantly being preached.

A universal gift

Whether the Bible is the full and true word of God, as many Christians believe, or whether it is the history of a religion, as all scholars acknowledge, or whether, finally, it is to be held simply as good literature, as scientists and writers agree, it is to all mankind a universal gift.

Men in supermarkets lose all shelf control

Advertisements. The study raised many questions. The ability to read does not automatically endow a person with great wisdom, does not the inability to read greatly restrict one's ability to participate in a democratic society?
