AS A PLACE TO LOOK

Dear Debbie
Letters to DEBORAH WHITE

DEAR DEBBIE:
There are five kids in my family aged 10 to 18, and we're sick at heart because all of a sudden our parents are talking about separating...

DEAR GORGIOUS:
Many girls feel intimidated by guys who are so good-looking, they seem unattainable. You've got to let them know they can attain it. Best way to do this is to open your mouth and force the words out. Start practicing in the shower, and even I think about it at least once a day...

DEAR DEBBIE:
You answer to the letter signed "Single Mom" was really stupid! Ask yourself if this overprivileged world needs another birthed due to the selfishness of a woman's irresponsible me. It is fair to that child to have a mother 2 years older than she. Can a 42-year-old woman adopt the demanding life style of a Mother and Career? Does this woman know the real life of a single mother? She sounds like a very selfish person who needs a lot of love and attention. She is expecting to get it out of a child. If she were really thinking with her mind and her heart, she would either give up her job or adoption or abort!

Kidney Foundation Sales goal reached

The Kidney Foundation of the United States in Lexington, Kentucky, recently announced that its goal of raising \$1 million for the purchase of dialysis machines has been reached...

DEAR ANGRY READER

There is nothing irresponsible about a child wanting a child, and making appropriate plans for it. I'm a 16-year-old boy and everyone tells me I'm gorgous; my family, my friends, everyone! I get nothing but stares of admiration when I'm at the beach or in school. So why can't I be able to ask a girl to go out with me? I'm not shy and people say I have a good personality, but when I see a girl I'd like to know better, I freeze. I've read tons of stuff on how to break the ice, but I can't seem to do it...
