

Naval Academy extends offers of appointment

Young men throughout the country have been nominated to the U.S. Naval Academy as new recipients of appointments. Appointments to the academy's class of 1975 will be offered on a continuing basis until early April.

Multiple nominations to the Naval Academy such as both a Presidential nomination and one from a Congressman, increase a young man's chances of receiving an appointment. A young man may be nominated to more than one service academy and still may receive an offer of appointment to the Naval Academy.
