### Sewing machine donated to special ed department by Jr. Club members

The Carlisle Junior Woman's Club (JCWC) held its October meeting at the home of Mrs. Ronald Smart, Mrs. Michele Foley, of the Department for Human Resources, spoke to the club on the subject of "Judicial Reform." The members were urged to support this measure in the November election. The club discussed the Christmas bazaar to be held Thursday, Dec. 4 and all day Saturday, Dec. 6. Items for sale will include handmade items, baked goods, note cards, and other small Christmas notions.

At this meeting the sewing machine donated to the Special Education department by the club was displayed. Funds for the purchase of this machine were raised by an auction and yard sale. Many EMR students donated their own handmade items for these sales. A Special Olympics was also held in connection with this project, under the guidance of Mrs. Paul Hardin, project chairman.

Excitement was evident when Mrs. James D. Anderson and Mrs. Paul Hardin delivered a sewing machine, donated by the Carlisle Junior Woman's Club (JCWC) to the Special Education Class at Nicholas County Elementary School Wednesday, Oct. 15. The machine was purchased from money raised by the club conducting a Special Olympics and Auction, and a yard sale, the total being \$790. Mrs. Anderson is club president and Mrs. Hardin was the co-ordinator of the Special Olympics and Auction, and chairman of the Learning Disabilities program in the club. Pictured counter-clockwise are Lisa Thomas at machine, Mrs. Lottie O'Bannon, teacher, Elizabeth Dale, sitting in middle of table, Melissa Hunt, Miss Dailly, Mrs. Anderson, Mrs. Hardin, Mary Jane Baker, Diane Farrow, Shirley Hammonds, and Judy Burke, sitting on table.—Duncan photo

### Homemakers meet

**Miranda**  
 The Miranda Homemakers Club met on Wednesday, Oct. 8 at 6:30 p.m. at the home of Mrs. Nancy Shaw for a chili supper.

After supper the meeting was called to order by Mrs. Mae Willis, president. Devotional was given by Ruth King. 17 members answered the roll call. The following four visitors attended: Mrs. Hall, who joined the club, Mrs. Bobbie Day, Miss Sharon Alexander and Miss Charlene Darrell.

Minutes of the last meeting and treasurer's report were read by Mrs. Shaw. Plans were completed for the club to serve a dinner for the 4-H Council on Monday evening at the 4-H Camp. The club made plans to attend Diners Playhouse in Lexington to see "The Baby Sitter". The lesson on planning holiday meals was given by Mrs. Edger Scott.

Meeting adjourned to meet in November at the home of Mrs. Albert Vice.

**East Union**  
 by Mrs. Raymond Hoese  
 The East Union Homemakers met with Mrs. Roland Boyd on Thursday, Oct. 9. The meeting opened with the devotional given by Mrs. Boyd, who read the 23rd Psalm, followed by

**ROCK TRACKS**

Despite the advance hype and frantic, last-minute offers of promoters, less than 100 "fans" greeted the 84Y CITY HOLLERS when they arrived at New York's Kennedy Airport. Somewhat

**Parisi Radiator-Roofing & Sheet Metal, Inc.**

A good roof is an all-important factor in the protection of your building investment and a firm well known for the installation and maintenance of all types of roofs is this firm in Paris at 845 S. Main, phone 987-4133.

Hot or cold built up roofing, sheet metal and gutters will be a specialty. It is said that your roof represents only 3 per cent of your building investment, yet its value is out of all proportion to its cost; for a roof acts as a guardian of your building and its contents.

Just as you take inventory of any possession periodically, so you should check up on your roof. Let these roof specialists recommend the moisture, plants with hairy leaves, etc. (Protect them when you moisturize the others.)

Now, if you're expanding your collection and buying new plants, remember that a plant you buy has probably been recently potted. If you buy plants inexpensively, they will probably come in flimsy containers filled with insufficient soil and you'll need to repot them with fresh soil as soon as you get home.

If you're relatively new to house plant care, you will probably soon be guilty of overfertilizing and the best solution is to recommend for this problem is to always use a weak organic fertilizer with the slowest release. Just remember that too little is better than too much when it comes to house plant care.

(c) 1975, McNaughton Synd.

**Would You Believe...**

Tuberculosis is a universal ailment that affects all races and nations. Too many people die of this disease each year. Just remember that too little is better than too much when it comes to house plant care.

(c) 1975, McNaughton Synd.

**Now you don't have to choose between getting a good job and continuing your education.**

Over 1000 colleges and the Army have an educational plan called Project Ahead. It's a way to enlist in the Army and start your college education at the same time.

If you qualify under Project Ahead, you choose a participating school before you enlist. You'll take courses taught by accredited colleges right on post, with the Army paying up to 75% of the tuition. And after your enlistment's over, you'll be able to continue your education with further financial assistance from the Army.

If you're interested in starting on your college education, call your nearest Army recruiting office.
