**Headquarters Road home destroyed**

Continued from page one destroyed by fire around 2:30 a.m. Monday morning. Woolly Wilson, Nicholas County Fire Chief, said the fire originated on the second floor probably caused by bad mortar in the chimney. The Blair's losses were partly covered by insurance, he said. The Blair's son discovered the fire and went to Speers Collins' house to phone for help. Mrs. Collins called the fire department, but by this time it was too late. The house burned to the ground. The couple and their son went to her mother's in Lexington to stay. Mr. and Mrs. Blair both work at Columbia Gas in Lexington.
