By Kay Fisher

Everyone has their quick and easy recipe for spaghetti sauce and meat balls. This recipe is for the time when you really want to show off your cooking skill.

GOURMET SPAGHETTI
Brown 1 1/2 pounds ground round steak in just enough vegetable oil to keep from sticking in heavy sauce pan. Add 1 large can (No. 2) size tomatoes, 1 can tomato paste, 1 can mushroom pieces, 2 medium onions sliced, 2 green peppers diced, 2 garlic cloves, cut into 3 pieces. Cook slowly approximately 2 hours uncovered until thick, then add 1 teaspoon salt, 1 teaspoon Rosemary, 1 teaspoon sweet basil, 1/2 teaspoon thyme, dash of red pepper, and cook slowly for about 20 minutes. Just before serving, add 1/2 cup finely chopped parsley. Serve egg.

BISHOP WHIPPLE'S PUDDING
Soak the following overnight in 1/2 cup Bourbon: 1/4 cup chopped pecans, 1/4 cup seedless raisins, 1/4 cup pitted dates—cut up.
Beat well 2 eggs, add 1/2 cup white sugar, 1 teaspoon vanilla and beat until fluffy.
Sift 1/2 cup cake flour, 1/2 teaspoon baking powder and add to above mixture. Mix all ingredients until well blended and put into a greased quart baking dish. Bake at 350 degrees until firm. Drizzle top with 4 tablespoons of the Bourbon used for the soaking. Serve with whipped cream.

When this serve a salad of head lettuce and Bibb lettuce combined, using a bit more Bibb than head lettuce, using oil and vinegar dressing. French bread sliced 1/2 inch, buttered each slice and sprinkling with seasoning salt. Heat 400 degrees until brown.
The best dessert for this meal is a small dish (1 sometimes use a punch cup) of fresh fruit in season. In winter, oranges prepared in sections, grapefruit, diced apples and a few seedless grapes. Prepare the fruit ahead of time and chill in refrigerator. There should be enough juice from the oranges and grapefruit to cover the diced apples and will keep it from turning dark. Sprinkle with white sugar.

ROLL CAKE
3 large eggs
1/2 teaspoon baking powder
1/4 teaspoon salt
1/2 cup sugar
1/2 cup light corn syrup
1/2 teaspoon vanilla
1/2 cup sifted cake flour
1/2 cup tart red jelly or 1/4 quart cup soft cream
Grease a 12 x 18 by 1 inch jelly roll pan; line bottom with wax paper; grease paper.
In large bowl of electric mixer beat together the eggs, baking powder and salt until blended. Beat constantly, gradually add sugar; beat in corn syrup (tablespoon at a time; continue to beat until thick and light in color. Beat in vanilla. Fold in cake flour gradually. Pour into prepared pan.
Bake in preheated 375 degree oven until cake springs back when lightly touched with finger—about 15 minutes. With a small metal spatula, loosen edges; immediately turn out on a tea towel generously sprinkled with sifted confectioners' sugar. Remove wax paper. Roll up in towel, starting at one narrow end; cool 15 minutes. Unroll and spread with jelly or ice cream, covering cake almost to edges. For jelly-filled cake roll up and wrap cloth around roll; cool completely on wire rack. For ice cream-filled cake roll and wrap in foil, freeze.
