Gemini May 21 - June 20 Mercury 5

A wonderful week for thinking matters through carefully and getting a new perspective. Get out-of-doors, seek new contacts and start new projects. Problems under these aspects will be caused by not doing rather than by doing. You are surprised by a token of affection.

m of someone with firm ideas of j Scorpio Oct. 23 - Nov. 21

moneywise.

Aug. 23 - Sept. 22 Mercury busicial dealings are strengthened by the aspects

ek for clothes shopping, buying hobby items, ildren and elders. Make some tentative plans on and resolve to visit friends more often. You more by staying in the background. It's smart

of nasty tantrums. Travel is favored.

Pites Feb. 19 · Mor. 20 | Neptune W week's aspects favor major events for you. A ding, travel, a change of residence or even career job bring good fortune and fulfill your hopes. Opposite is responsive and someone puts in a good word for Give special thought to diet and appearance.

Glamour Talk 4 Joy:

You can help a timid underlip by using a paler color on the lower lip and a darker one on the upper lip. If your mouth is too pouty, go the opposite route.

YOU AND YOUR HEALTH GY-Peter J. Esse, MD

A NATION OF PILL-POPPERS Dear Dr. Esse: Everybody in my family pops pills except me. I refuse to take medicine. My father takes handsful of viamins to keep fit, My sister takes iron tablets. My mother takes hormones for menopause. My little brother who is kyperactive last to take pills.

10 take pills.

Mr. J.

REPLY: It's true. Perhaps millions are taking pills and

REPLY: It's true. Perhaps millions are taking pills and other potions unnecessarily. They once in all shapes and oclors and are swallowed for all kinds of compliants. Many endanger themselves by processitating about Many endanger themselves by processitating about proceedings by propring transpullares, sleeping pills, seedlessly by popping transpullares, sleeping pills, seedlessly by popping transpullares, sleeping pills, seedlessly by popping transpullares, sleeping pills, seedlessly by propring transpullares, steeping pills, seedlessly by propring transpullares, steeping pills, seedlessly by propring transpullares, steeping pills, seedlessly by pills, sometimes equal danger in retaining to take up my pill or potion when needed. Your retaining to take up my pill or potion when needed to retain the pills are pills, seedlessly quieter and more restrained since taking his special pills.

In the pills of the pills, the pills is the pills in the pills in the pills. The pills is the pills in the

possible your father needs his vitamins; only his doctor can answer that question.

So your intention never to take medicines may not be as good a resolve as you think. When treatment requires specific medication to overcome illness, a patient is uncooperative when he refuses medicine his doctor

uncooperative when he reluses medicine his doctor prescribes. Of Course, any side effects should be reported to the doctor immediately.

I am not making excuses for the pill-poppers you mention: I am as opposed to self-treatment as you are. The remedy for overuse of drugs is evident: Don't go in for pill-popping unless your doctor finds a good reason for
