

MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions — horizontally, vertically, diagonally, backward. Draw a circle around each letter of a word found in the puzzle then write the letter in the box. When you have done this with all the words, you will have a magic word. If you have a word that will not fit, you may have a word that is not in the list. If you have a word that is not in the list, you may have a word that is not in the list.

CALORIE COUNTDOWN

BY SUSAN DUFF MASTRO

Our brain takes about 20 minutes to be completed, that's how long it takes for our stomach to tell our mind that we are full. During that 20-minute time, we eat more than we need. You can eat less than you think you need by eating slowly.
