

# Kay's Kitchen

By Kay Fisher

With the garden and yard work calling I often feel tempted to fix a quickie meal and forget about desserts. However one does need that extra bit of motivation that comes with getting the sweet treat. After all you are burning up those calories with those sweet treats that come up at lunch time. So enjoy a dessert at lunch time—there are a few quick ones.

**DATE FILLED CAKE**  
1 package yellow cake mix  
1 (4 ounce) package buttered pudding  
2 cup bottled dates (cut up)  
1/4 cup chopped walnuts  
2 tablespoons margarine  
1 package fluffy white frosting mix  
Prepare cake mix according to package directions and bake in 9 x 9 inch round cake pans. Cool.  
Prepare pudding mix and add only 1/4 cup milk and add dates and 1/4 of nuts. When done add butter and nuts. Cover and cool.  
Cut each layer of cake and spread filling between layers. Ice with frosting mix.

•••••  
Bake a yellow cake mix and serve warm with butterscotch sauce or chocolate sauce.

**ALMOND FLIP-TOP CAKE**  
2 teaspoons butter  
1 tablespoon sugar  
1/4 cup chopped almonds  
1 loaf size white or yellow cake mix

Melt butter in an 8 x 8 x 2 inch pan; spread over bottom of pan and sprinkle with sugar, then almonds. Prepare cake mix according to directions. Pour over the nuts. Bake at 375 degrees for about 25 minutes. When cool split into 2 layers. Sprang with orange filling.

**ORANGE FILLING**  
1/4 cup sugar  
3 tablespoons flour  
dash of salt  
1/4 cup orange juice  
1 beaten egg  
1 tablespoon butter  
2 teaspoons lemon juice  
2 teaspoons grated orange peel  
Thoroughly mix together sugar, flour and salt. Stir in orange juice. Cook over low heat until thick and clear. You will have to stir constantly.  
Stir a small amount of hot mixture into beaten egg, then stir into remaining hot mixture. Cook about 3 or 4 minutes. Blend in butter, lemon juice and orange peel. Cool. Makes 1/4 cup filling.  
You can use a regular yellow cake mix. Use about half in the 8 x 8 x 2 inch pan. Use make cup cakes with the other half.

**ANGEL CAKE WITH COFFEE CREAM**  
Buy or make—but both, since we are trying to save time, a 1 1/2 inch square cake. Frost top and sides with this mixture:  
1/2 cup whipping cream

**COOKIE PIE**  
One can of cherry, peach or apple pie filling. About 10 or more 1/4-inch slices refrigerated slice-and-bake sugar cookies or any cookie of your liking. 1 teaspoon sugar, dash of cinnamon.  
Heat the canned pie filling, add any seasonings you desire into 8-inch pie plate. Overlay cookie slices around edge of pie plate and work into center. Mix cream cheese and sprinkle over cookies. Bake in 350 degree oven until cookies are done. Serve warm with ice cream or whipped cream.
