### Millersburg school holds benefit basketball game

The kindergarten through fourth grade classes of Millersburg Elementary School played their annual basketball games at the school Friday night in Millersburg. This year, they donated the money they earned from door receipts to the Todd Trease Teddy Bear Fund. Todd was the son of Lexington T.V. Charnel 27 Sportscaster Dewey Trease and Mrs. Trease. The child died of Leukemia recently and was buried with a teddy bear that had been presented to him in one of the hospitals when he was admitted as a patient. The \$153 that the children donated will help Trease to buy the bears to give other children who are ill.

The ladies of the Millersburg Fire Department Auxiliary were given charge of refreshments. According to Mrs. Kenny Dampier, president, they earned \$203 during the ballgames, which they will use toward a new fire department building for Millersburg.

Bob Fowler, University of Kentucky freshman member of the basketball squad was the highlight of the evening as he demonstrated his famous "dunk shot" for the crowd.

### White elephant sale Saturday

The Millersburg Rotary Club will hold its annual White Elephant Sale at 10 a.m. Saturday, May 6.

Proceeds from the sale will be used to sponsor community events.

### Fort Harrod trip reported

by Sheila Ann Waugh and Sheri Waugh

Tuesday at 8:30 a.m., the third grade class of Old Fort Harrod at Harrodsburg. We were accompanied by five parents, including Mr. and Mrs. Bobby Waugh, principal Charles Tribble and teacher Mrs. D.E. Carter. Charles Tribble drove our bus.

We first went inside the Old Fort where we learned firsthand about Kentucky's first permanent settlement. History came alive as we visited Kentucky's first school. We visited the Orange Grove Tree that is 227 years old. Across the yard was the marriage cabin of Abraham Lincoln's mother and father.

From there, we visited the museum where we learned about Daniel Boone, Robert E. Lee and Abraham Lincoln. We had lunch in the park and played on the playground and Carrie Ann LeMaster found a dead snake. We also saw the Kentucky River, and three of the boys in our class said "Let's jump in." On the way back Mr. Tribble let me sleep on his lap.

**Garden Club to meet**

The Millersburg Garden Club will meet at 3 p.m. today, Thursday, May 6, at the Blue Star Nursery for a landscape tour. The meeting will be taught by Mrs. Russell Bell and Mrs. Charles Law.
