Burton fund contributions

Mr. Larry Burton is accepting a check from Bill Donovan, treasurer of the "Scott Burton Fund" in the amount of \$47.31. This money is the result of contributions made to help the Burtons' son, Scott, after he was stricken with several illnesses the first of April and not expected to live. He was a patient at Central Baptist Hospital in Lexington. His condition is good now. He is in school, and trying to take it as easy as possible. The fund was started at the First National Bank of Carlisle.—Duncan photo
