BLUEJACKETS PERFORM WELL

Pryor scores at state meet; baseballers play region games

Carla Pryor won fourth place in the 100 yard hurdles and scored two points for the Nicholas County Girls Track Team. The Meet was held Friday and Saturday. "We didn't go up there (state track meet) at the University of Kentucky) with any blinding speed or great performance," explains Coach Ben Pumpfrey. "We peaked emotionally last week. We got the most mileage we could get out of a bunch of young ones." Considering the fact that only three or four girls trained and competed regularly, those two points are probably the biggest things to happen in Nicholas County Track since Marilyn Davis won the State Class A 100 yard dash four years ago.
