**New Musk Oil Cologne Spray Mist by Jovan.**  
The Understatement of the Year.

Jovan has just created another way to wear musk oil. Musk Oil Cologne Spray Mist. As you might expect, it comes on soft and subtle. But don't be fooled. It's powerful, provocative and lingering just like Jovan Musk Oil Perfume. The cologne says the very same things about you the perfume does. That you're sensuous. Womanly. And warm. But says it a little more lightly (which could be the most powerful way of all). Try this new fragrance understatement by Jovan Musk Oil Cologne Spray Mist. Because it isn't what you say. It's how you say it.
