

### Unusual spider

Joe Laughlin, son of Mr. and Mrs. Billy Joe Laughlin, of Liberty Heights, brought a female black widow spider to the Mercury office last week. The black widow is not native to this area, and its first sighting in this area was in 1934. The spider was discovered on Jack Randall's farm on Moorefield Road, west of the Randolph's, by Joe and Billy Doyle, son of Mr. and Mrs. Esch Doyle—Duncan photo

### Form and honor

441 Hesperian County Agent's Corner featured four Nicholas county youth and a leader this past week. A big thank you to Mrs. Paul Hardin, Carol Chamberlain, Whitbey Woodward, Sarah Harman and Andy Judge for a job well done in representing their county.

### Each year the judges find selecting winners in the Award of Excellence to be a very challenging job. This year was no exception. The judging committee commented about the difficulty of selecting one girl and one boy for county winners from a group of 20-25 each of the 20-25 best outstanding work in the areas evaluated by the committee.

Overall winners were Cheryl Lowe and Grant Mathis. Age category winners were 12-15—Sarah Harman and Courtney Mathis; 16-19—Loree, 9-12—Margaret Haman and Andy Judge.

### Workshop

Just last week 18-41 members attended Talk Meet Workshop held by Mrs. Paul Hardin. Mrs. Hardin discussed various subjects for speaking, how to write a speech and the ways to obtain reference materials.

### Workshop

The workshop was held to help members prepare for the Tobacco Festival in the Elementary School.

### Twelve youngsters prepared for the 441 Tobacco Grading Event held during the Tobacco Festival in the Elementary School.

During the Tobacco Festival, Phillip Fryman was first place grand, Dean Hinton, second and Larry Fryman, third. Congratulations to these very bright youngsters.

### Veterinary Service

All project members in Veterinary Service began meeting Nov. 12 with County Agent, Monte Corcoran to begin their project work. The meetings will be held at 7:30 p.m. in the Extension Office.

### Thoughts for Thanksgiving

Old Tom Turkey sticks his head around the corner ready for the kill, and the harvest is so bountiful. Now, it's time to count your blessings. Don't forget to count the accomplishments of a most precious blessing—our young people.

### As I think of the cooperation of the community in the support of the 441 program, I am so thankful for the privilege of working here. The merchants, county government, 441 leaders, members, and parents have all worked to build our 441 program through the months and it has truly been a joy to work in the community in "Your Development." For you, the people of Nicholas county, I am indeed grateful. I count this as one of my very special blessings—Sharon Alexander
