4-H and FFA District Beef Show plans told

The 1976 Bluegrass 4-H and FFA District Beef Show is scheduled to begin with an on-foot show at Clay-Wachs Stockyards in Lexington on Thursday, Sept. 30, according to Kentucky Commissioner of Agriculture Thomas O. Harris.

Harris said weighing of entries will begin at 9:30 a.m. on the day of the show, and that all entries must be in place on the grounds by 11 a.m. Weighing of entries should be completed by 12 noon, with the on-foot show scheduled to begin at 1 p.m. A pre-sale dinner has been set for 5:30 p.m., and the sale starts at 7 p.m.

In addition to the on-foot show, which is to be judged by Bowen McKinney, Dawson-Baker Packing Company, Louisville, all steers competing in the on-foot show are eligible for carcass evaluation. Dr. York Varney will serve as carcass judge, and he will report on the results of the carcass contest at the Bluegrass Steer Show Banquet, which will be held Saturday evening, Oct. 9, beginning at 7 p.m. in the E.S. Good Barn on the campus of the University of Kentucky.

The Bluegrass Show is one of four district beef shows held throughout the state. The Kentucky Department of Agriculture is happy to sponsor these activities in cooperation with the University of Kentucky Extension Service and the Division of Vocational Agriculture Education of the State Department of Education.

Commissioner Harris urged 4-H and FFA members to attend the show, saying, "It will give these young agriculturalists an opportunity to learn about the type of beef animal in demand on today's market." A special invitation is extended to youth exhibitors to bring their steers and participate in this educational activity. Persons desiring further information should contact the Kentucky Department of Agriculture, Division of Shows and Fairs, Capital Plaza Tower, Frankfort.

KET to repeat 'Adams Chronicles'

One of television's most significant series, "The Adams Chronicles," begins an encore performance Monday, Sept. 20, at 8 p.m. on KET, Channel 45.

The 13-part program, an epic tale in content and scale, is a true accounting of the birth of our nation and the formative years that followed that auspicious beginning (1750-1900).

Based on the more than 300,000-page body of journal, diaries and letters of the remarkable Adams family, "The Adams Chronicles" brings viewers face-to-face with great American figures like Washington, Jefferson, Franklin and others as well as the powerful monarchs of England, France and Holland at the most dramatic moments in our history unfold.

Love, patriotism and political intrigue are the stuff from which our early history (as well as our present) was often made, and "The Adams Chronicles" brings the emotional as well as the historic forces to light in this unprecedented dramatic series.

"The Adams Chronicles" is repeated Saturdays at 5 p.m. with captions for the hearing-impaired.

PUBLIC HEARINGS ON COMMUNITY DEVELOPMENT NON-METRO DISCRETIONARY FUNDS BLOCK GRANT PROGRAM

Federal grant money is available to fund a wide range of community development programs in Carlisle. The City of Carlisle will be holding two public hearings soliciting citizens participation. Said meetings will be held in the Nicholas County Court House on October 6 and October 13 at 7:30 P.M. All citizens are encouraged to attend stating their community needs, enabling formulation of a preapplication for grant money to be submitted to the Department of Housing and Urban Development. Without excellent citizen involvement, it is felt an assessment of city needs will be incomplete. Therefore, please attend. It is of particular importance that all minorities attend to further outline city needs. Citizen participation is essential to successful application for these grant monies. 9-23-2tchg.

★★NEXT WEEK'S★★ HOROSCOPE

By Clay R. Pollan

FOR WEEK BEGINNING MONDAY, SEPT. 27, 1976
If your birthday occurs this week . . .
you have a fine objective intellect, especially in social matters. Your splendid voice and magnetic personality could bring you acclaim in politics or on the stage.

♈ Aries Mar. 21 - Apr. 19 Pluto ♇
A week to be cautious and deliberate. Slight accidents are possible. If you drive, be sure your car is in good shape mechanically. Check home appliances to insure proper efficiency. As to the personal equation, do not put too much trust in recently made acquaintances.

♉ Taurus Apr. 20 - May 20 Venus ♀
Pay strict attention to all relationships. This is not a good week to try dealing with a strange business firm. Making impulsive long-distance calls is to be strongly discouraged. Treat a child with respect and love; avoid all harshness. Avoid being uptight, selfish.

♊ Gemini May 21 - June 20 Mercury ☿
You can be very unhappy with a home or office situation. Don't let your emotions lead you to make the wrong decision. Just keep plugging away at what must be done. Be very honorable in financial affairs and do not become angered about them. Try to be more mature.

♋ Cancer June 21 - July 22 Moon ☾
When it comes to romance, if unmarried, don't try to beat someone else's time. If married, you can be greatly pleased with the attention and affection you receive. Your sweetheart appreciates vivacity; see that you sparkle with humor. Be truthful in all relationships.

♌ Leo July 23 - Aug. 22 Sun ☉
Aspects suggest that this is a time to avoid emotional confrontations until you are able to see things in a more clear perspective. Defer any action which might involve outlay in funds. Activities such as dancing, competitive games, are favored. Try to have fun.

♍ Virgo Aug. 23 - Sept. 22 Mercury ☿
A powerful combination of aspects will release a great field of creative energy and artistic ability. Your talents and self-expression are highlighted. Romance will also play an important role this week and a new love affair could be in the making.
