New Musk Oil Cologne Spray Mist by Jovan

The Understatement of the Year.

Jovan has just created another way to wear Musk Oil Musk Oil Cologne Spray Mist.

As you might expect, it comes on soft and subtle. But don't be fooled.

Its powerful, provocative and lingering just like Jovan Musk Oil Perfume.

The cologne says the very same things about you as the perfume does. That you're sensuous. Warmly. And warm.

(Which could be the most powerful way of all.)

To this fragrance understanding by Jovan Musk Oil Cologne Spray Mist. Because it isn't what you say, it's how you say it.
