said. "Then we went to work with the inside the house cleaning and from pump emptying flooded basements."
Several days later, seven members of the Sacramento group—led by the Rev. Mr. Lovelace—arrived in Florenceville with 800 worth of clothing supplies purchased with church funds at donations granted by sympathetic Sacramento merchants.
The crew began carrying out water-soaked mattresses and rugs, matted-down walls, sidewalks and streets with flood water from the basements.
The tapes include the story of two women in the group who sifted through family photograph albums and selected wearing masks to avoid against the side of the flood, the women worked

All members are invited to attend.
There also served in several positions at the University of Kansas Psychological Clinic, and was a teaching assistant in Rehabilitation and Head Start centers in Kansas.
She recently completed an internship at the University of Texas Medical Branch at Galveston.

SCB requests rate increase

FRANKFORT—Representatives of South Central Bell Telephone Co. filed a request for a 84.1 million rate increase with the State Public Service Commission Monday.
The increase, if granted, would result in an approximately 18 per cent increase in the total billing costs to the firm's customers.
According to South Central Bell officials, the rate increase was requested because of increased demands for service due to the impact of high level inflation on the firm's operating costs.
"The local costs of providing service has risen from \$15.45 per customer per month in 1975 to \$28.21 today. Continuing inflation offers South Central Bell no choice but to ask for higher telephone rates in Kentucky," J.D. Matheson Jr., a vice president at the company's headquarters in Birmingham, Ala., said in his testimony to the PSC.

A half-billion dollar construction program is needed in 1977-1979 if the company is to maintain, improve and expand its services to Kentucky customers, according to J.F. Gallagher, general manager for operations and plans at the Louisville plant.
To meet the demands for service, Gallagher said the firm needs to undertake construction programs of \$160.2 million in 1977, \$118.3 million in 1978 and \$127.3 million in 1979—a total of \$405 million.
"Inflation is the greatest single factor causing the increase in construction spending. Of the \$662 million the company needs to spend during the next three years, \$22.7 million can be attributed directly to inflation," Gallagher testified.
PSC Chairman Barkley Shurgill assailed all motions to intervene. The intervenors include the state Attorney General's Office of Consumer Protection, the Jefferson County Attorney's Office, and the City of Louisville. Shurgill said that the South Central Bell witnesses would be available for cross-examination when the hearing is reconvened on Sept. 19 in the commission's Frankfort office.

Tree planting season arrives

Fall tree planting season will soon be here. Bruce D. Harris, District Forester of the Northeastern District, Kentucky Division of Forestry, said the Morehead office is now accepting orders for tree seedlings to be delivered for fall planting.
The Division of Forestry, Department for Natural Resources and Environmental Protection, operates three nurseries to provide tree seedlings to Kentucky landowners. The seedlings are distributed at low cost to encourage reforestation of eroded, idle and sub-marginal land, planting of farm windbreaks and improvement of existing woodlands.
Several species of trees are available from the state nurseries, including white pine, shortleaf pine, loblolly shortleaf, virginia pine, scotch pine, black locust, white oak, yellow poplar and black walnut. These may be purchased in "multiples of 200, 500 or 1,000 for forest plantings. Some species such as chestnut, black alder and autumn olive are available in limited quantities. Special orders for less than 200 will be accepted on a limited basis for a nominal handling charge. Prices range from \$25 per 1,000 for pines to \$50 per 1,000 for black walnut.
Seedlings may be ordered by contacting Kentucky Division of Forestry, Box 37, Morehead, Ky. 40351, phone 606-784-7504.

Danfield, both of Ft. Knox, Ind.; two sons, John D. Ritchie, Millersburg; James Hiram Ritchie, Nicholas county; a sister, Virginia Young, Newport; three brothers, Clifton Hughes, Millersburg; Harold Hughes, Wirtsville; John Hughes, Lexington; 22 grandchildren and 31 great-grandchildren.
Services will be conducted Wednesday at 1 p.m., at the Pruitt Funeral Home, Millersburg, by the Rev. Portwood of Richmond.
Burial will follow in the Millersburg Cemetery.
