

Farm and Home

By Mike Phillips
One small chore may have been forgotten

With the hustle and bustle of getting ready for Christmas, it is easy to forget the one thing that is most important to the holiday season. It is the one thing that is most important to the holiday season. It is the one thing that is most important to the holiday season.

Kentucky Afield

By John Wiles
If anyone wonders why the ruffed grouse is so hunted more in Kentucky, a quick trip to any grouse country will provide a ready answer.

Would you borrow money from this man?

You could if you borrowed from the Federal Land Bank because he's one of our member owners. You see, despite our name, the Federal Land Bank is not run by the Federal government.
