The Lasting Beauty of A Live Christmas Tree

There are many reasons for choosing a live tree for the holidays. They are beautiful and fragrant. They are ecologically acceptable. They are a wise investment in that they can be planted outside your house once Christmas has become a beautiful memory. Some observations when choosing and buying your tree will eliminate the possibility of having it dry out quickly and the danger of fire.

"ALL ABOUT CHRISTMAS"
"It's like the inside of a Christmas stocking," said a delighted teen-ager of the unique gift shop in La Jolla, California, called "All About Christmas."

The shop is busy the year round with tourists and local customers stopping in frequently to see what's new. There are more different kinds of Christmas stockings than you ever dreamed of! You can order them knitted to order and personalized, a tradition in many families. Knitted stockings and slippers are available from adult sizes down to teeny-weeny ones for new-borns.
