Nicholas county can't lose the Bluegrass North Regional Library even without it, since the state library will be headquartered in Nicholas county...

Several dignitaries, visiting Carlisle for last Thursday's parade, were contacted with the subject of the decision by the librarians...

Our solution is simple! We understand why the librarians are being so difficult in this regard...

At the risk of ending on a cliché and for the lack of a better way to make the point, all we can say is "Slow down the life you save could be your own."

The life you save could be your own

It is pathetically shameful that we are members of a species as bent upon its own destruction as we consider it a victory to win...

Over 45,000 people lose their lives annually on our highways. If the world would ever reach a point of zero population growth...

At the risk of ending on a cliché and for the lack of a better way to make the point, all we can say is "Slow down the life you save could be your own."

Mercury vapors

by Warren R. Fisher. If I'm to believe a headline I noticed Sunday, it's only 187 days 'til Christmas!

In retrospect. If I had it to do all over again, I just wouldn't attempt it. And you wouldn't attempt, I just wouldn't attempt it.

Now, count, Jimmy, that big strapping hunk had was more than a match for the heavy end, but me, well when I came from the ground up with the not so light end...

Something quotable. Since I have considerable time on my hands, as I read articles, I sort of look for something quotable with an eye to filling this space.

What is also one of the most satisfying aspects of my job, because it is here that I am able to have an impact on specific programs and projects that affect Kentucky.
