To The Voters of the 5th District

One of the richest blessings that God has given us here on earth is the love and support of friends. My wife, Mary and I are grateful to our many friends who supported me and helped in any way for me to become your next Magistrate. I will cooperate with all the other Magistrates to the best of my ability for the betterment of our community.

Thank You

MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions — horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

OIL IS BLACK GOLD — Sol.: 9 letters
