## Recent county fire runs reported

Nicholas County Fire Chief Woody Wilson reported the following fire runs made by his department recently:

—Friday, June 3 at 4:30 p.m.—a grass fire at the Lodge Hodge on Blue Licks Road (Old U.S. 68) at Sugar Creek Road. Wilson said there was no damage and cause of the fire was burning trash.

—At about 7:30 p.m. on Friday the county fire department put out a grass fire on the property of Holy Cross Church on the lower Jackstown Road before any damage could be done. They were called back to the same place about 5:45 p.m. Saturday where several old buildings which were used for storage burned, the fire chief said.

—On Wednesday, May 22 Wilson said the fire department answered a call on the Ishmael Road to extinguish a fire in a 1973 Ford, the property of Elwood Cox. The fire chief said the fire, which inflicted extensive damage to the auto, was out when the fire truck arrived.
