To The Voters of Carlisle & Nicholas County

When I ran for jailer in 1973 I visited every home in Nicholas County and Carlisle. Now during this election I have been working 60 or more hours a week, which makes it impossible to see everyone.

I appreciate the support given me during the last election and would appreciate your support and vote again.

To The Voters of the 5th District

I would like to thank each one of you for your kindness, and the gracious way you received me in your homes while I was campaigning as a candidate for Magistrate in your District. Please base your vote on my integrity as a candidate. I will be as fair and honest to each and everyone as possible and listen to your suggestions.

To those I missed seeing I would appreciate your consideration as a Candidate for Magistrate.

Springtime is bringing its share of blossoming opportunities to Nicholas county. Sixty-five 5-8 members are working to complete garments for the

June Fashion Revue. Miss Lavina McFarland, Mrs. William Hardin, Mrs. William Dampier, Mrs. Bobby Curtis, Mrs. Kenneth Vanghe, Mrs. Bobby Curtatiger, Mrs. David Zachary and Mrs. Harold Henson are working with a large group of girls one afternoon a week. These leaders are assisted by parents of the girls. Some mothers serve as leaders for their daughters. Nevertheless, all girls are going to be in ultimate fashion this spring with their own creation.

Summer is full of planned activities for 4-H members. Senior 4-H Week is scheduled June 13-17 at the University of Kentucky. The week consists of seminars, election of state officers, state style revue, dances and banquets. It's a time seniors 14-19 years old really enjoy the acquaintances of 4-H members throughout the state. Those attending 4-H week from Nicholas county are: Carla Curtatiger, Martha Woolley, Sandy McDonald, Tony Smith, Michelle Knapp, Jenita Dampier, Sandy Caswell, and Jane Ellen Dampier.

Junior 4-H Camp will be held July 5-8 at North Central 4-H Center. From all indications it seems Nicholas county will be well represented. Camp seems to be the highlight of the year for all youth.

Brenda McDonald and Amy Fuller are representing the Bluegrass Area at the State Talk Meet at UK. Let's wish the two girls success in their speaking endeavors.

There are only beginning activities for the summer. Keep in mind your project work for the Bluegrass Fair and the Nicholas County Fair. Preparation for such events need to be made now.

To The Voters of District 2

Elect a Candidate for Magistrate that has complete knowledge of the Problems of District 2. Due to modern working hours I have failed to contact every voter.

If elected I will regularly visit the people of our District to know of our problems and needs; so I can effectively represent you in District 2.
