### Statewide Women's meet set June 10-12

Kentucky, along with the other 49 states and U.S. territories, will hold a statewide women's meeting to examine the lives and experiences of the Kentucky woman and the particular legal and social barriers that confront her. A written report will be issued, and the Kentucky findings along with those of the other states and territories, and the results of a nationwide conference next fall, will form the basis of a report to the President and Congress on women's needs.
