**Beef referendum set June 6-17**

The U.S. Department of Agriculture announced June 6 as the beginning of a two-week registration period for the beef referendum and information order referendum and issued rules for the referendum.

Anyone who was a cattle producer for the 1976 year can register to vote, either in person or mail, at local Agricultural Stabilization and Conservation Services offices between June 6 and June 17. A list of those who register will be posted daily at ASCS offices and a final listing will be posted five days after registration closes.

Those registered can vote between July 5 and July 12 at their ASCS office. For approval of the beef referendum and information order, at least 50 percent of those registered must vote, and two-thirds of them must favor it.

The order that producers will consider in the upcoming referendum would authorize a research and information program administered by a beef board of up to 50 producers. Board members would be appointed by the Secretary of Agriculture from nominations submitted by producer organizations. Each state or geographic area would be represented in proportion to its cattle production.

The beef board could initiate a broad spectrum of projects to improve beef production, distribution, and marketing. Such a program could include consumer education and information, and research.

During the first three years of operation, the board could collect percentages of up to three-tenths of one percent of the value of all cattle sold. After the rate of assessment could be changed but could not exceed five-tenths of one percent. The maximum amount permitted under the beef research and information act. Producers not wishing to participate in the program could have their assessment refunded.

The rules for conducting the referendum are scheduled to be published in the May 17 Federal Register. Copies will be available from Program Operations Division, ASCS, U.S. Department of Agriculture, P.O. Box 315, Washington, D.C. 20013.

**City to receive \$6,460 for streets**

FRANKFORT—State Transportation Secretary Calvin Grayson has announced that Carlisle will receive \$6,460 to support its 1977-78 municipal road improvements program, which begins July 1.

According to Grayson, the city will use the money to provide for blacktop resurfacing on Chestnut Street from Broadway to East Main and on Spring Street from Walnut to Dorsey.

Similar allocations to other communities also are being announced locally.
