The 4-H Rally proved a real success this week as 200 4-H members boarded trucks to go to the North Central 4-H Center for a weiner roast. Teen leaders provided games for the event. Adults provided transportation and leadership for the rally and hayride. I would like to thank each person, who helped to make this 4-H blast-off such a success.

Public speaking is a fall 4-H event. Categories are available for the following age groups: 9, 10, 11, 12, 13-15, 16-18 year old girls and boys. The Talk Meet Workshop to help youngsters will be held at 3:30 p.m. Thursday, Nov. 3 at the elementary school. The Talk Meet event will be held Tuesday, Nov. 22 at 3:30 p.m. in the school library.

Please encourage the 4-H members you know to participate in this 4-H event. It is an excellent opportunity for youth to develop verbal skills. It is also an opportunity for you as an adult to help a youngster choose a topic, collect information, organize a talk and deliver a speech. County winners will be selected to represent the various age groups at the area event to be held in December.

During the September meetings, officers were selected in all 4-H clubs. These officers will be trained by the 4-H Council and Teen Club officers at the Nicholas County Elementary School, Monday afternoon, Nov. 7 at 3:30 p.m.

The 4-H Council is appreciative of the way you have cooperated in our annual calendar sales this year. The youth did an excellent job reaching out to the community with this money-making project. The sales campaign proved very profitable to the council. Mark Byrd, Terry Carpenter, Tammy Markland and Celina Capps were the sales champions this year.

We are well on our way to a successful year for 4-H members in Nicholas County. The youth are interested in our programs and the leaders have once again begun to show a cooperative spirit. So, let's pledge our efforts to encourage our youth to press forward and be active 4-H members this year.

The Nicholas County Cub Scouts held their monthly pack meeting and a Halloween Party Tuesday night, Oct. 25. The party was held in the basement of the Calvary Church. Approximately 50 parents and children attended.

The business meeting began with a presentation of awards to the boys and their leaders. Arthur Buzzard, cubmaster, presented awards to the following boys: Woodie Buzzard, recruiter pin and Webios patch, bear badge, sportsman and activity badge; Robert Mitchell, patch; Mark Price, athlete pin; Paul Noll, two silver arrows and a fireman's badge; Hugh Rose, athlete pin. Gary Steele received a scout canteen for selling the most popcorn during the Cub Scout fund raising project. Bobby Barnett, scoutmaster, received a recruiter pin and patch for his work in helping form the local Boy Scout Troop.

Sandwiches and drinks were provided by the parents and leaders. There were prizes given for the best costumes. Games such as bobbing for apples, dart throw, penny pitch, and ring toss were enjoyed by the scouts.

DISC TROUBLE

Dear Dr. Esse: I'm having pain down my right leg. My doctor says it's due to disc trouble. Will you explain? — Mr. N

COMMENT: The vertebrae in the spinal column need protection from each other. The movement-provided cushions between the vertebrae called discs. They are made of a cartilaginous material that buffers the spinal column against spinecessary shocks.

The reasons for trouble in the discs is not always apparent. Nevertheless, they may deteriorate due to infection, or injury. It's the pressure of the ailing disc on the nerves that supply leg that is causing the pain down your leg, Mr. N.

For relief, you may need traction, wearing a brace or operation. Your orthopedist will recommend the necessary treatment.

* * *

Dear Dr. Esse: Can you tell me something about Montezuma's revenge"? I will soon be taking a trip. — Mr. Y.

COMMENT: As you know, the intestinal upset you mention is also called "traveler's diarrhea" and is not necessarily confined to visitors of Mexico. It may occur while visiting any country.

The best protective measure is to eat only cooked food, recently prepared and properly stored. Say "no" to raw vegetables, tap or ice water.

There is no specific preventive medicine. When diarrhea is excessive, prescribed opiates or antibiotics may be helpful.

MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions — horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.
