Getting Ready for
Spring & Summer '78!

Winter has scarcely arrived in most parts of the country, but True Value Hardware Store Members are planning for the 1978 spring and summer selling seasons by attending the 90th Semi-Annual National Red Carpet Market and Convention.

Mr. and Mrs. Roy Hodderer representatives of Carlisle, Ky. True Value Hardware and Variety Store located at Mable and Highway recently attended the three-day event held at Cotter and Company headquarters in Chicago. They had the opportunity to shop the 85,000 square foot display area filled with merchandise for the spring and summer selling seasons. Members placed orders for lawn and garden supplies including Lawn Chief mowers, outdoor living merchandise and sporting goods. In addition to basic hardware, housewares and True-Test Paint from over 800 manufacturers.

The Market was held to acquaint the over 5,000 True Value Members nationwide with new merchandise, market trends and promotional programs for 1978. Members also were given the opportunity to see a special slide presentation commemorating the 30th anniversary of Cotter and Company, called "Thirty Years of Progress".

In 1978, True Value Hardware Store commercials will be heard on the ABC, CBS and NBC Radio Networks and the Mutual Broadcasting System. In addition, True Value Hardware Stores will continue sponsoring the NBC-TV Today Show.

An extensive magazine advertising program is planned for the first half of 1978 in FAMILY CIRCLE, SPORTS ILLUSTRATED, SUNSET, SOUTHERN LIVING, HOUSE & GARDEN and POPULAR SCIENCE. Once again, an 8-page full color insert featuring spring and summer merchandise will appear in the May issue of FAMILY CIRCLE. This detachable ad proved so successful last year, it has been repeated at Christmas as well as in the Spring.

Special appearances at the Market were made by True Value spokespersons Lew Wood and Lee Phillip. Wood is spokesman on the NBC Radio Network and on the NBC-TV Today Show. Mr. Phillip is spokesman on the ABC Entertainment Radio Network and in 44 regional television markets.

Planning ahead and attending this Market will make the Carlisle True Value Hardware and Variety Store headquarters for the newest, most popular merchandise for the spring and summer seasons.
