

## Infamous intersection scene again Rev. and Mrs. Albert Allen escape serious injury in by-pass accident

Rev. and Mrs. Albert Allen escaped serious injury Friday around noon on the Park bypass when a car drove across the median and struck their car, completely demolishing both cars. Rev. Allen is pastor of the Carlsle United Methodist Church.

The car, driven by Dale Russell, Woodruff, Okla., was traveling north on the by-pass when a farm tractor pulled off of the Georgetown Road (66) and struck Mr. Russell's car, causing it to cross the median and collide with the Allen who were in the right lane heading toward Lexington.

Rev. Allen said Tuesday that the car was about 150 feet from the intersection when he was struck. This is the same intersection where so many accidents have occurred in recent months.

The Allen were treated at the Bourbon County Hospital and released. Mrs. Allen required some stitches in her leg. Mr. Russell suffered superficial cuts.

Brothers injured in auto mishap  
Jeff Wilson, 18, and his 14 year old brother, Keith Wilson, were injured Friday evening when Jeff lost control of the auto he was driving as he rounded a

curve and ran into a tree, according to Nicholas County Deputy Sheriff J. W. Eaton. The accident took place near Headquarters on Ky. 36.

Jeff was treated for cuts and bruises at Nicholas County Hospital and released. His brother was taken to a Lexington hospital where he was treated for a broken leg.

The boys are the sons of Mr. and Mrs. Ernie Wilson of Nicholas County.

Two trucks and a farm tractor were involved in an accident four miles west of Carlsle on U. S. 48 on Tuesday, Oct. 18. All three vehicles were traveling east.

A Kentucky Utilities truck driven by Joe Bratton was in the process of passing the truck in front of it, when the second truck, operated by Ed Jolly, Millersburg, decided to pass the truck also, and pulled into Bratton's path, according to Sheriff James Jones. Jolly's left front bumper struck the right side of the KU truck, shoving it forward about 100 feet into the rear of the tractor, driven by George Hunt, Route 1, Carlsle.
