Mrs. Lawrence selected for OYWA
The Board of Advisors for the Outstanding Young Women of America Awards Program has announced that Brenda Davis Lawrence (Mrs. Holly) of Route 1, Carlisle has been selected for inclusion in the 1977 edition of Outstanding Young Women of America. The Outstanding Young Women of America Program is designed to honor and encourage exceptional young women between the ages of 13 and 20 who have distinguished themselves in their homes, in their professions and in their communities. Accomplishments such as these are the result of dedication, service and leadership—qualities which deserve to be recognized and remembered.
Mrs. Lawrence, along with approximately 10,000 fellow Outstanding Young Women of America from across the United States, will be presented in the annual awards volume. In addition, she is now being considered for one of the 10 state awards to be presented to those women who have made the most noteworthy contributions in their individual states. From these 10 state winners, the Ten Outstanding Young Women of America will be chosen. The ten national winners will then be honored at the annual awards luncheon to be held this fall in Washington, D.C.
